Report of International Yoga Day Celebration 2017-2018

21 June is declared as the International Yoga Day by the United Nations General Assembly on 11 December 2014 as a result of the relentless efforts of our Prime Minister Mr. Narendra Modi. In its resolution, the UNGA endorsed that "Yoga provides a holistic approach to health and well-being apart from striking a balance between all aspects of life".

Yoga is a practice that connects the body, breath, and mind. It uses physical postures, breathing exercises, and meditation to improve overall health. On 21 June 2017 the NCC unit of S.N. College, Punalur celebrated World Yoga Day by conducting a yoga class in the college. The programme uploaded the year's theme "Yoga for health". The programme was inaugurated by Lt. Dr. Arun V, Principal, S.N. College, Punalur and the class was led by Dr. Jasmine Anand, Assistant Professor and Head, Department of Zoology. The class was conducted in two batches. It included both theory and practical lessons. Hundred students participated in the programme. As part of the programme the students learned different asanas and their benefits. In addition to this, they also understood the significance of yoga in maintaining good health.

Report of International Yoga Day Celebration 2018-2019

Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfillment; harmony between man and nature. It is a holistic approach to health and well-being. Beyond being an exercise, it creates a sense of oneness with ourselves, the world, and the nature. Thus, yoga plays a significant role in our holistic development.

The theme of fourth International Yoga Day was "Yoga for Peace". Yoga practice helps us to find inner peace. Yoga sessions often start with a short period of meditating that helps preparing both our body and mind to the upcoming exercises. Hence, negative energy passes, giving way to the flow of positive engery.

On 21 June 2018, the NSS Unit organized a yoga class as part of World Yoga Day celebration. The programme was inaugurated by the principal. The programme was led by Dr. Jasmine Anand, Assistant Professor, Department of Zoology. The aim of the programme to make the students aware about the significance of yoga and to bulid a healthy youth. The class included both theoretical and practical sessions. 147 students attended the class held in the college auditorium. the students studied various yogasanams and their benefits. Apart from this, they also understood the significance of yoga in the contemporary world.
