

WORLD ENVIRONMENT DAY

World Environment Day 2025 calls for urgent action to eliminate plastic pollution, which harms wildlife, ecosystems, and human health. Hosted by South Korea in Jeju Province, this year's campaign highlights sustainable practices and innovation in waste management.

The theme encourages us to rethink our plastic use by reducing, reusing, recycling, and choosing eco-friendly alternatives. Let's work together to #BeatPlasticPollution and protect our planet for future generations.

ORGANISING COMMITTEE

ABOUT COLLEGE

Sree Narayana College, Punalur, established in 1965 is a leading educational institution under the Sree Narayana Trusts, Kollam. The institution owes its inception to the farsightedness of the great leader, Sri R. Shankar, and is ingrained in the teachings of Sree Narayana Guru, a great visionary who revolutionized the social scenario of Kerala. It is affiliated to the University of Kerala, and has 12 B recognition from the UGC and 'B++' Grade accreditation from the NAAC

KERALA ACADEMY OF SCIENCES

The Kerala Academy of Sciences (KAS) is a professional body of scientists, academicians, technocrats, medical professionals and science managers established in 1989. The Academy's main objectives include science popularization, promoting scientific temper, and providing an interdisciplinary platform for idea exchange. The academy has 19 Honorary Fellows, 89 Fellows, and more than 750 Life members. The academy organizes various programs, including outreach programmes to school students, programmes for general public, international seminars, commemorative lectures, endowment programs, and observance of major S&T days across Kerala
